

MAIL ORDER PHARMACY BENEFIT

SelectHealth and Regence BlueCross BlueShield of Utah offer this convenient service for prescription medication(s) you use on an ongoing basis.

Save SIGNIFICANT money!

**Have your medication delivered
directly to your doorstep!**

Receive a 90-day supply of eligible maintenance medications for only a 60-day supply copayment (a one month copayment savings to you!) by using mail order pharmacy services. Information about eligible maintenance medications (dispensed on a continuous and long-term basis) is available on the respective carriers web sites.

Providing you convenience and savings — that is what mail order pharmacy service is all about!
