MEMO

Food Advisory Committee Meetings are being held quarterly! These meetings are open to the community so anyone can come and participate. Students, parents and staff are more than welcome and encouraged to attend. This is a great opportunity to share with the food services department any concerns or issues you may have regarding the food service meal program. Support our food services department by attending these meetings and sharing your thoughts. Your feedback will be appreciated and addressed. The dates, time and location are listed below. Hope to see you there!
