JOB SUMMARY

Prepares various surfaces for and applies protective and decorative coats of paint, varnish, stain, enamel and lacquer to exterior and interior surfaces, trimming and fixtures of buildings or other structures. Performs paint and varnish removal, putty work, etc. May also cover room interiors with wall paper or other fabrics. Keeps records required for specific jobs.

ESSENTIAL FUNCTIONS

- Paints and refinishes various surfaces with enamel, lacquer, varnish, stain. Paints with rollers, brushes and spray painting equipment. Performs color matching as required.
- Prepares surfaces for paint by sandblasting, scraping, sanding, patching, plastering and spackling.
- Erects and takes down scaffolding.
- Maintains tools, equipment and truck used in work assignment. Leaves the work area clean and safe when job is completed.
- Lay out and paint parking lots, Driver's Ed courses, and game courts.
- Must have blue print and construction drawing literacy.
- Participates in job compliance requirements of apprentices in techniques, equipment, safety, policies and procedures, as necessary.
- May be assigned to participate in organizations, committees and sub-committees as needed.

NON-ESSENTIAL FUNCTIONS

Occasional other duties as assigned within skill level.

REQUIRED KNOWLEDGE, SKILLS AND ABILITY

Should be skilled in the use of hand tools, cleaning supplies, small power tools, methods of ventilating spaces, respirators, air compressor, forklift, spray equipment, ladders, ladder jacks, planks, personnel lift, bucket truck and steel scaffolding in accordance with state and federal regulations. Must have a good working knowledge of relevant building and safety codes including pertinent aspects of OSHA, EPA, MSDS and ADA. Must have basic mathematical skills. Must be skilled in oral and written communications and interpersonal relations. Must be able to plan work and organize apprentices and temporary workers, materials and equipment for specific projects. Some knowledge of glazing, floor covering and ceiling tile.

REQUIRED EDUCATION AND TRAINING

Must have a high school diploma or equivalent. Must have completed 1 ½ years full time equivalency of formal education as prescribed in Granite School District apprenticeship program or equal competency. Must keep abreast of changing developments in techniques in relevant fields. Must have a current and valid Utah driver's license.

REQUIRED PRIOR WORK EXPERIENCE

Requires three years of job related and carefully monitored training in the District designed apprenticeship program with demonstrated competence or acceptable equivalent.

Note: The District administration reserves the right to require specific training for this position. However, depending upon the type and quality of prior work experience, some exchanges can be made between training and experience.

DECISION MAKING

Takes measures to ensure safety of self and others. May consult with administrators, teachers, co-workers and patrons to assist in the timely completion of projects. Assists in planning work projects. Assures that each assignment has sufficient tools, materials and supplies. Determines repairs and replacements of equipment as needed. Prioritizes work for specific jobs assigned. Must be able to perform assigned tasks without on-site supervision.

SUPERVISION

Requires ability to motivate apprentices and temporary workers, also, plan and initiate activities with minimum supervision. Responsible for planning work as assigned, assuring a high quality of the finished product. Makes specific work assignments and monitors performance of assigned employees. Assist in evaluating performance of apprentices. The work supervised can be complex. Coordinates with contract service vendors and material vendors on projects.

WORKING CONDITIONS

Some district emergencies may require additional irregular hours. May be subject to high locations, awkward positions, heat, noise, dirt, chemicals, confined spaces, and cold. Incumbent may have occasional stress from emergencies and in meeting project deadlines. Interruptions may occur while performing work requiring accuracy and concentration.

PHYSICAL DEMANDS

There is occasional work with heavy weight material, but generally not exceeding 100 lbs.
